SOCIETY FOR ETHNOPHARMACOLOGY

Globalizing Local Knowledge; Localizing Global Technologies

23/3 Shaktigarh, Jadavpur, Kolkata 700032, India

The successful organization of SFEC 2020 at Jamia Hamdard catalyzed robust academic-industry-regulatory collaborations, resulting in major project like the Centre of Excellence in Unani Medicine (Ministry of Ayush) . This journey from SFEC 2020 to SECON 2025 showcases sustained leadership in pharmacognosy and ethnopharmacology by Dr Sayeed Ahmad and team Jamia Hamdard, representing SFE- India, Delhi Local Chapter - Our Heartiest congratulations!

INVITATION

Dear Friends

The organizing committee extends a warm invitation to join us at the **12th Convention of Society for Ethnopharmacology India & International Conference on “Traditional Medicine- Ancient & Modern Concordance”**, hosted by the **Centre of Excellence in Unani Medicine** (Pharmacognosy and Pharmacology), Bioactive Natural Product Laboratory (BNPL), School of Pharmaceutical Education and Research (SPER), **Jamia Hamdard**, New Delhi, India, scheduled from **October 30-31, 2025**.

The Conference will explore and highlight the convergence between ancient wisdom and modern scientific developments in the realm of traditional medicine. It will provide a dynamic platform for discussions on ethnopharmacology, integrative healthcare systems, evidence-based validation of traditional formulations their global regulatory trends and medicinal plants.

Major themes of the conference include the role of traditional medicine in managing non-communicable diseases, advances in herbal drug standardization and quality control, innovative dosage form development, as well as the integration of technologies such as network pharmacology, metabolomics, and AI-assisted data analytics in traditional medicine research.

The scientific program will feature plenary sessions, keynote addresses by renowned international and national experts, oral and poster presentations, panel discussions, industry connect, Ayush health mela, and young researcher awards. This event is an excellent opportunity for scholars, practitioners, industry professionals, and students to share research findings, network, and build collaborations.

Jamia Hamdard, a premier institution known for its excellence in pharmaceutical and biomedical sciences, has been consistently ranked among the top pharmacy colleges in India (NIRF Rank #1 – 2017, 2019, 2020, 2021, 2022 & 2024). The Bioactive Natural Product Laboratory, recognized as a Centre of Excellence in Unani Medicine by the Ministry of Ayush, Govt. of India, is actively engaged in cutting-edge research on natural products and traditional medicines with strong national and international linkages.

New Delhi, the capital city, with its vibrant culture, historical monuments, and culinary richness, offers an enriching experience for all our delegates. We eagerly look forward to your participation in this intellectually rewarding and culturally delightful event.

Sincerely

Prof Sayeed Ahmad
Organizing Secretary

BACKGROUND

Jamia Hamdard established in 1989, is a Deemed to be University primarily known for its Pharmacy, Medicine and Engineering programs. Jamia Hamdard is ranked among the top 40 Universities of India by the National Institutional Ranking Framework (NIRF), Govt of India and has been accredited with an A+ grade by the National Assessment and Accreditation Council (NAAC) of India. The university offers graduate and postgraduate programs in medicine, pharmacy, unani medicine, nursing, science, computer applications, management, allied health sciences, law and other disciplines. Jamia Hamdard is a pioneer in initiating integrated research in the modern and traditional streams of science and has been recently recognized as the Centre of Excellence in Unani Medicine (Pharmacognosy & Pharmacology), by the Ministry of Ayush, Govt. of India [For further details, please visit www.jamiahamdard.edu].

School of Pharmaceutical Education and Research (SPER) is one of the oldest and the most reputed Pharmacy Institutes in India and has been a rank-holder among the best pharmacy institutions. It has bragged 1st (NIRF 2017, 2019, 2020, 2021, 2022 & 2024) as well as 2nd rank (2023) by the Ministry of Education, Govt. of India. Currently, the school offers post-graduate and Ph.D. programs in all the major disciplines of pharmaceutical sciences in addition to diploma and undergraduate pharmacy courses. All four departments of SPER are DST-FIST whereas three are UGC-SAP sponsored and are actively involved in research as evidenced by their publications in reputed journals.

The Centre of Excellence in Unani Medicine (Pharmacognosy and Pharmacology) is a state-of-the-art research facility at the School of Pharmaceutical Education and Research, Jamia Hamdard, New Delhi. CoE in Unani Medicine is funded by the Ministry of AYUSH, Government of India, and is dedicated for conducting advanced scientific investigations on Traditional Unani Medicine under Ayurswasthya Yojana Scheme. It evolves from Bioactive Natural Product Laboratory of Department of Pharmacognosy and Phytochemistry to Centre of Excellence with the funding from Ministry of Ayush under a scheme for upgradation of research labs working in the field. The Centre maintains valuable research collaborations with renowned industries, including Hamdard, Dabur, Aimil, DolcasBotanosys Pvt Ltd, Tulip Lab Pvt. Ltd. India, Avitech Nutrition Pvt. India, AyuSwasthPvt. Ltd. Additionally, we have established collaborative partnerships with educational institutions both within India and abroad, including NCNPR at the University of Mississippi (USA) and the University of Khartoum (Sudan), as well as St Petersburg University, Russia, etc. CoE in Unani Medicine currently hosts over 25 research scholars, including postdoctoral fellows, Ph.D. candidates, and master's students. With ongoing projects worth more than 15 crores, it has successfully acquired modern sophisticated equipment through project grants. Additionally, a vast collection of over 500 costly reference standards and 350 preserved raw materials are invaluable to our research endeavors. [For further details, please visit <https://www.bnpl.org.in/About-CoE-BNPL.aspx>].

Society for Ethnopharmacology (SFE) Society for Ethnopharmacology, India is a registered body under the West Bengal Society Registration Act and is affiliated to the International Society for Ethnopharmacology. The society was formed in 2012 and has made its presence felt with different activities throughout the country, for development and promotion of medicinal plants and ethnopharmacology. Society has organized 25 international events in different parts of India and abroad. The Society works on dissemination of knowledge in this area with the major highlights on "Globalizing local knowledge and localizing global technologies." For further details, please visit: www.ethnopharmacology.in

MAJOR HIGHLIGHTS

Eminent academicians, scientists, researchers, technologists, policy makers from universities, industries and other research organizations, traditional health practitioners, will share their experiences on:

- Bridging traditional and modern medicine with contemporary scientific innovations
- Exploring quality, safety, efficacy, promotion and propagation of traditionally used medicines & medicinal plants
- Application of chromatography specially planar chromatography in analysis of traditional medicine
- Scientific validation of traditional claims, metabolomics, network pharmacology & other modern aspects in traditional medicines
- Food supplements, nutraceuticals, botanicals, phytopharmaceuticals & their formulations
- Integration of traditional wisdom with modern medical sciences
- Innovation and integration of Ayush Sciences – Global scenario
- Biotechnology in sustainable development of bioeconomy
- Promotion and development of local health tradition
- Ayush aahar with special emphasis on Unani system of medicine
- Bioprospecting of bioresources- drug discovery from medicinal plants
- Artificial Intelligence and Traditional Medicine- A way forward towards drug development
- Integration of industry- academia collaboration
- Revitalization and innovation of traditional medicine
- Policy and regulation to preserve traditional medicine

IMPORTANT DATES

Registration and abstract submission start	July 30, 2025
Early bird registration ends on	August 30, 2025
Abstract submission deadline	September 30, 2025
Late registration accepted till	October 15, 2025

REGISTRATION

Opportunities for Sponsorship/ Collaboration

This multidisciplinary program will address several crucial research issues for the promotion and development of the traditional medicine, natural products, especially from medicinal plants. A series of keynote and plenary lectures by internationally renowned scientists in the field of medicinal plant research will focus on specific key areas. The congress will offer an ideal platform for networking between the industries, academicians, scientists, planners and regulators, and those engaged in the traditional medicine and medicinal plant research.

During the congress, an exhibition would be organized to give opportunity to private companies/scientific institutions to display their products/work in addition to Ayush health Mela. The exhibitors can also have one to one discussion with prospective business partners/collaborating agencies/individuals.

SUBMISSION OF ABSTRACTS FOR SCIENTIFIC SESSIONS

Abstracts are invited from the scientific community from senior/ young faculty members and research scholars for short lecture and oral/ poster presentations. All the accepted abstracts will be published in the Abstract Book and remain available online and in hardcopy.

INSTRUCTIONS TO AUTHORS

- The presenting author must be a registered delegate.
- Abstracts should be original work.
- All abstracts must be in English language and typed in Times New Roman, 12 font.
- Submit the abstracts as per the format, which includes Title of the abstract, Authors and co-authors and their affiliations (Underline the presenting author's name and indicate the author affiliation with superscript numbers).
- Abstracts should be structured including background, objective, methodology, results, and conclusion along with 3-5 keywords.
- Word limit for the abstract is 250 words.
- The acceptance for oral/poster presentations will be sent through mail.
- **Poster dimension should be 4 feet in height and 3 feet in width.**
- **Oral presenters should have up to maximum of 15 slides and will be given 5+2 min for presentation followed by discussion.**

SAMPLE ABSTRACT

Title: The title of the abstract must be short and self-explanatory
(Font type: Times New Roman; Font size 14, Bold)

Authors: First name Last name^{1*}, First name Last name², First name Last name¹
(Font type: Times New Roman; Font size 12, bold)

¹Affiliation, Institution/ Organization, official address (Font type: Times New Roman; Font size 12, not bold)

²Affiliation, Institution/ Organization, official address

*Corresponding author: Phone: xxxxxxxxxxx (mobile number preferred)

E-mail: xxxx@xxx.xxx

Underline the presenting author

ABSTRACT (Not more than 250 words typed in Times New Roman, Font size 12)

Background: Clear definition and introduction to the topic. No reference should be included.

Aims/Objectives: Aim(s)/ objective(s) must be very clear.

Methods: Brief methodology of the study that must be clearly stated.

Results: Results must be presented in the running text. No figures and tables are allowed.

Conclusion: Conclusions must be clear and answer the research question posed.

Keywords: 3-5 Keywords

PRE-CONVENTION WORKSHOP ON CAPACITY BUILDING OF PROFESSIONALS

Pre Convention Workshop will be organized before Conference on **29th October, 2025** at Auditorium, Centre of Excellence in Unani Medicine (Pharmacognosy and Pharmacology). Mere registration does not guarantee the selection because of limited number of seats. Only selected participants will be informed via mail to complete their registration after payment of fee by due date (Please register for the workshop using the provided link).

Selection will be on first come first serve basis

WORKSHOP THEME

STREAM # 1 HPTLC Analysis of Traditional Medicine for Quality Control & Scientific Validation (50 seats)

STREAM # 2 Cell culture & Zebrafish models in Ayush Research (20 seats)

STREAM # 3 Unani Aahar & it's future scope (50 seats)

CATEGORY	NATIONAL	FOREIGN
Online Attendee (Only for HPTLC Workshop)	INR 500/-	USD 25
SECON Registered- SFE & ISE Member	INR 1000/-	USD 50
Only Workshop Attendee	INR 1500/-	USD 75

HAKEEM ABDUL HAMEED YOUNG RESEARCHER AWARDS

Centre of Excellence in Unani Medicine (Pharmacognosy and Pharmacology), Bioactive Natural Product Laboratory, SPER, Jamia Hamdard has instituted this award for Young Researchers in the field of Traditional/Unani Medicine/Natural product research for drug discovery in the memory of Late Hakeem Abdul Hameed Sb, Founder Chancellor, Jamia Hamdard

OBJECTIVE

To recognize and encourage the **young talented Faculty Members** working in any area of Traditional/Unani Medicine/Natural product research including quality control, pharmacology etc. or any other research related to the promotion and development of Unani and other traditional medicine.

CRITERIA OF SELECTION

The selection will be limited to the delegates of the National conference, who will register for the conference and get their paper accepted for **short lectures**. Participants engaged in research in any field of Traditional Medicine/ Natural product research, up to the age of **45 years**, are eligible.

Three best short lectures will be awarded based on the relevance of work and quality of presentation during the conference, where the presentations will be judged by the experts from different areas, as decided by scientific committee.
The Award carries a Memento and a Certificate.

In addition to this Hakeem Abdul Hameed best poster awards will be given for best posters in phytochemistry, ethnopharmacology, Unani medicine and Food supplement and nutraceuticals, carrying memento and certificate.

ANNOUNCEMENT: AWARDS OF THE SOCIETY FOR ETHNOPHARMACOLOGY, INDIA

Society for Ethnopharmacology is affiliated to the International Society for Ethnopharmacology, Switzerland. SFE, India constituted with academicians, researchers and industrialists for dissemination of knowledge and expertise for promotion and development of medicinal plants & other natural products with the vision of globalizing local knowledge and localizing global technologies.

To recognize the outstanding contribution in the area of medicinal plant research & ethnopharmacology, the Society has instituted several awards. Nominations are invited for the following awards of the Society for Ethnopharmacology (SFE), Kolkata, which will be conferred during the 12th Convention of SFE, India (SECON 2025) at Jamia Hamdard, Delhi, India during October 30-31, 2025.

NAME OF THE AWARDS	
SFE – T. Sen Oration Award “Prof. Tuhinadri Sen memorial Award”	SFE-Traditional Healers’ Award “Sudharani Mukherjee Memorial Award”
SFE-Outstanding Service Award “Dr. Pratim Banerjee Memorial Award”	SFE-Best Publication Award “Dr. Nirmal Kumar and Nirupama Chatterjee Memorial Award”
SFE-Young Researcher Award “Prof. Peter Houghton Memorial Award”	SFE-Best Poster Presentation Award “Prof. SS Handa Memorial Award”

**For submission of the nomination/application, please visit
www.ethnopharmacology.in
Last date of nomination is August 15, 2025**

FOR FURTHER DETAILS, PLEASE CONTACT:

SECRETARY

Society for Ethnopharmacology

“SFE - YOUNG ETHNOPHARMACOLOGIST AWARD”

(Dr. P K Debnath Memorial Award)

OBJECTIVE

To recognize and encourage the young talented scientists/ researchers from academia and industries working in the field of Ethnopharmacology, Traditional Medicine and Medicinal plant Research or research findings related to the promotion and development of medicinal plants and natural product research.

CRITERIA OF SELECTION:

This following criteria should be followed:

- Applicant should have active membership of Society for Ethnopharmacology, India and International Society for Ethnopharmacology.
- The selection will be limited to the registered delegates of the Annual Congress of SFE and their original research paper based abstract should be accepted for oral presentation.
- Any participants engaged in research in any field of Ethnopharmacology and Medicinal Plants up to the age of 40 years.
- Selection of the participants for the competition will be based on the abstracts which has been submitted by Young researchers and accepted for oral presentation in the annual SFE congress.
- This award will conferred on the basis of the oral presentation during the congress where the presentation will be judged by the experts from different areas, as decided by SFE.

AWARD CARRIES:

Three best young pharmacologists will be awarded:

- A Memento
- A Certificate
- Complementary registration to join the SFE congress
- Three tier (3AC) train ticket to join the SFE Congress

SELECTION COMMITTEE:

Representatives from the Executive Committee of SFE -India along with the experts from different field of Ethnopharmacology and medicinal plant research will be a part of the selection committee, as decided by SFE-India. Decision of the committee will be final. The award will be conferred in the valedictory function of the Annual Congress of SFE India.

SFE, India - i-connect: Business Meet Program

Society for Ethnopharmacology, India is a registered under the West Bengal Society Registration act and affiliated to the International Society for Ethnopharmacology. The society was formed in 2013 and has made its presence with different activities throughout the country, for development and promotion of medicinal plants and ethnopharmacology. The Society works on dissemination of knowledge in this area in different parts of India with the major highlights on “Globalizing local knowledge and localizing global technologies.” For details please visit: www.ethnopharmacology.in

The 12th International Convention of Society for Ethnopharmacology, India (SECON 2025) on “Traditional Medicine – Ancient & Modern Concordance” will be jointly organized by the Jamia Hamdard, Delhi, India and Society for Ethnopharmacology, India during October 30-31, 2025 at Convention Centre, Jamia Hamdard, Delhi, India. This international conference aims to bridge the gap between age-old healing wisdom and modern medical science. It will bring together experts from diverse disciplines to explore integrative approaches, evidence-based validation, of traditional medicine. The event will highlight advances in ethnopharmacology, drug discovery, and public health, promoting global recognition of traditional systems. In the SECON 2025, the Society for Ethnopharmacology will host a special session on “i-connect program: Business meet” on October 30, 2025 to highlight crucial aspects of development of Ethnoentrepreneurship through exploring traditional medicine. In session, stalwarts of herbal industries in India will share their knowledge and experience highlighting current scenario for promotion and development of herbal products, for development of Traditional Medicine towards “Viksit Bharat”.

This year i-Connect event at the international conference, aiming to foster collaboration within ethnopharmacology by organizing industry participants into the following six verticals with specialized experts. This event will provide the ideal platform to establish the linkage between academia and industries for benefit sharing and promotion of start-ups based on development of herbal medicinal products. We cordially invite you all to participate in this i-connect program and explore the opportunities!

Highlights of the event:

Stalwarts of herbal industries in India will share their knowledge and experience on the following topics:

- Vertical 1: Extract manufacturers and Exporters
- Vertical 2: Start up and Entrepreneurship development
- Vertical 3: MAP Cultivation and sustainable supply
- Vertical 4: Contract Manufacturing of herbs and herbals
- Vertical 5: Medical and Regulatory Affair of Herbals
- Vertical 6: Food supplements & Nutraceuticals

HOW TO REACH JAMIA HAMDARD

BY FLIGHT:

New Delhi is well connected to all major cities in India and abroad via regular flights.
Airport: Indira Gandhi International Airport

BY TRAIN:

You can easily get regular trains from all major cities of the country. Delhi has more than 20 Railway Stations. The selected major stations within Delhi are: Anand Vihar Terminal (ANVT), New Delhi (NDLS), Delhi Hazrat Nizamuddin (NZM), Delhi Sarai Rohilla (DEE) and Delhi Cantt (DEC).

JAMIA HAMDARD (CONVENTION CENTRE):

Jamia Hamdard is situated in the heart of the city at Mehrauli-Badarpur Road in Hamdard Nagar, Tughlakabad Institutional Area near Batra Hospital, in the vicinity of Khanpur, Sangam Vihar, Tughlaq Fort, Tara Apartment and Alaknanda market.

LOCAL TRANSPORT

New Delhi is well-connected through an efficient network of public and private transport options:

- **Metro:** The nearest metro stations to the venue are Govind Puri (Violet Line from Kashmiri Gate), Greater Kailash (Magenta Line) and Saket (Yellow Line from New Delhi Railway Station), both located within 2–3 km of the campus.
- **App-based Cabs:** Services like Uber, Ola, and Rapido are widely available for convenient point-to-point travel.
- **Shuttle Services:** The organizing team will arrange complimentary shuttle transport from select nearby hotels/metro stations to the venue during conference hours for registered delegates (details to be shared closer to the event).

SIGHTSEEING IN & AROUND DELHI

Explore the Cultural, Historical & Natural Wonders of North India

Whether you're a first-time visitor or a seasoned traveler, Delhi and its surroundings offer an unforgettable blend of history, architecture, culture, and nature.

Here's a curated list of must-visit places in and around the capital.

- **Red Fort (Lal Qila):** UNESCO site, majestic Mughal architecture, sound & light show.
- **Qutub Minar:** Tallest brick minaret, intricate carvings, UNESCO World Heritage Site.
- **Humayun's Tomb:** Precursor to the Taj Mahal, Persian-style Mughal tomb in lush gardens.
- **Jama Masjid:** India's largest mosque, with panoramic views of Old Delhi.
- **Purana Qila (Old Fort):** Ancient citadel with boating and historical light show.
- **Feroz Shah Kotla:** Fortress ruins housing a 3rd-century Ashokan pillar
- **Akshardham Temple:** Intricate carvings, exhibitions, and musical fountain.
- **Lotus Temple:** Bahá'í temple open to all faiths; iconic lotus shape design.
- **Gurudwara Bangla Sahib:** Golden-domed Sikh temple with a sacred pond and langar.
- **Lodhi Garden:** Landscaped gardens with tombs from Lodhi era—great for morning walks.
- **Raj Ghat:** Gandhi's cremation site, peaceful and well-maintained.
- **India Gate:** War memorial with surrounding lawns, beautifully lit at night.
- **Connaught Place:** Colonial-era marketplace, cafes, galleries, and shopping arcades.
- **Janpath Market & Cottage Emporium:** Colorful local bazaars for textiles, souvenirs, and crafts.

Attractions Around Delhi: Escape the City & Explore Nearby Wonders

DESTINATION	DISTANCE	HIGHLIGHTS
Agra, Uttar Pradesh	~230 km	Home of the iconic Taj Mahal, Agra Fort, and Fatehpur Sikri
Jaipur, Rajasthan	~280 km	Part of the Golden Triangle: Amer Fort, Hawa Mahal, and local markets
Neemrana, Rajasthan	~120 km	Famous for Neemrana Fort Palace – a heritage hotel with zip lining
Bharatpur, Rajasthan	~180 km	Keoladeo National Park – a UNESCO bird sanctuary

ACCOMMODATION AND LOCAL TRANSPORT

Due to limited availability of rooms in the University guest house and hostels, the Organizing Committee is unable to assist with accommodation and local transportation arrangements, however same can be arranged easily by delegates themselves.

ACCOMMODATION

A range of accommodation options are available in close proximity to the venue, catering to varied preferences and budgets:

- **Guest Houses & Budget Hotels:** Located within 5–7 km radius of Jamia Hamdard campus.
- **Mid-Range & Premium Hotels:** Available in nearby localities such as Okhla, Jasola, Nehru Place, and Greater Kailash.
- **University Guest House:** Limited accommodation may be arranged on-campus or at affiliated guest houses, subject to availability and prior request.

NEARBY HOTELS WHICH CAN BE EXPLORED:

- Capital O 5270 The Divine Park
- OYO Townhouse 023 CR Park
- Collection O 30072 Greater Kailash
- OYO Townhouse 002 Green Park
- Crown Plaza, Okhla, New Delhi
- Vivanta by Taj, Surajkund, Faridabad
- Country Inn Suites by Radisson, Saket, New Delhi
- Hilton Garden Inn, Saket, New Delhi
- N.K. Residency, Kalkaji, New Delhi
- La Residence, Greater Kailash I, New Delhi
- Hotel Africa Avenue, Greater Kailash, New Delhi
- Royal Imperio, Faridabad, Haryana
- Alpina Hotel, Greater Kailash II, New Delhi
- New Haven Hotel, Greater Kailash, New Delhi
- Eros Hotel, Nehru Place, New Delhi
- Hotel The Orion Plaza, Kalkaji, New Delhi
